

How You Can Help

Donate MONEY

Monetary donations to established relief agencies are always more beneficial to survivors and relief operations.

Governor McCrory activated the **NC Disaster Relief Fund** in partnership with the United Way of North Carolina to support long-term recovery efforts. All contributions are tax deductible.

To make a donation, go to **NCDisasterRelief.org** or text **NCRECOVERS** to **30306**.

Donate FOOD

Please donate food items through your local food bank or charities in your community.

Find your local food bank at **NCFoodBanks.org**.

Please note that shelters cannot accept prepared or pre-packaged food or beverage donations from individuals or civic groups. Organizations that operate shelters must adhere to state health department guidelines to ensure that all food and beverages distributed to those staying in the shelter are safe.
