1	Knotts Island. Particularly better water connections to Beach and Mackay Island. Leverage nearby federal lands for community, not just tourists or dollars. Maybe some like the vaparettos of Venice.	9/15/2016 3:21 AM
2	New schools should strongly be considered	8/27/2016 6:15 AM
3	Expand water system to entire ounty	8/18/2016 5:54 PM
4	New assisted living for seniors would be good; but landscaped in a rural setting and not near commercial development.	8/18/2016 2:41 PM
5	Knotts Island should have a library. To have a card in VA, it is \$30/yr. for NC residents. Its a 45 min ride to Moyock Library. Books by mail is our only other way. The park could have one attached to Senior building	8/5/2016 12:01 PM
6	No	7/9/2016 7:12 AM
7	Knotts Island	7/8/2016 9:22 AM
8	Knotts Island--parks, walking path	7/8/2016 8:25 AM
9	A small knotts island library	7/7/2016 9:37 PM
10	Carefully place them between the main corridor and the borders. This way, they are easily accessed by residents regardless of transportation availability.	7/7/2016 1:41 PM
11	Library on knotts island	7/7/2016 9:32 AM
12	Knotts Island, N.C.	7/7/2016 7:49 AM
13	Knotts island Gibbs woods	7/6/2016 9:27 PM
14	New High School in Moyock	7/6/2016 8:57 PM
15	Knotts Island should consider a second boat ramp @ Casons Point while there is still open land to create parking.	7/2/2016 9:23 AM
16	Install public boat parking at the county center to make these facilities easier and quicker access.	6/28/2016 8:43 AM
17	Would love to see a full time fire department on the island.	6/27/2016 10:15 PM
18	Knotts Island needs more boat ramps - we can't find a place to park at Brumley Rd	6/27/2016 4:14 PM
19	build bridge	6/27/2016 12:32 PM
20	Knotts Island needs another public Boat ramp	6/17/2016 2:09 PM
21	Knotts Island, at least have a mobile library van	6/16/2016 1:35 PM

1	My fear is focus on 'old' economy of production and development will cause us to plan a rust belt when people are looking for a garden paradise at the shore.	9/15/2016 3:21 AM
2	Great place to live and raise a family as it is now. The schools could use some more improving, but I don't want to see too much change in the county. Growth is inevitable, but if the mid county bridge is put in it will ruin our already over crowded beaches. Keep the traffic on the main highway and bring in a few tourist attractions and decent retail, grocery stores, and restaurants so tourists will stop, spend money, and continue on. The money they would make during the summer tourist season would carry them through the slower winter months. Ease up on the residential building until the schools and other services can keep up with the demand of all the new people. Or at least until some good businesses can come to the county to help support all the services needed.	8/27/2016 6:15 AM
3	Let owners decide what land will be used for.	8/18/2016 5:54 PM
4	Dislike home builders building homes on former farm land, that do not sell, and remain unoccupied. Lots should be limited by at least 4-5 acres for a home. Some builders have been dishonest in one case I know of: telling a seller that they are going to develop their property for raising horses, then, instead, build small cracker-box houses on the property. The homes become eyesores on the landscape.	8/18/2016 2:41 PM
5	Currituck is building up fast. Dislike change but we must keep up with the times. I imagine Currituck to have a lot of tourists in the coming years.	8/5/2016 12:01 PM
6	I realize that tourism is important to the County but often times, in my opinion, the tourists are treated better than the residents.	7/9/2016 7:12 AM
7	I'm afraid that Currituck will turn into another Va. Beach if the politicians have their way!	7/8/2016 9:22 AM
8	I hope for my child Currituck is still rural with beautiful farmland, wetlands, and beaches. I am educated to understand growth will always continue but we need to protect our beauty so we are not just another overcrowded dirty tourist vacation spot.	7/8/2016 9:04 AM
9	I believe Carova should be left like it is but reduce the size of the house that can be built. I don't think 20 bedroom house should be getting built there. I think the bridge to the beach is a great idea. We should do anything to help our tourism. I don't like how Knotts island and Gibbs woods is sometimes left out. I think more things like a DMV and tag place should be in Currituck.	7/7/2016 9:37 PM
10	I can already see that the model used in congested suburban areas to our North are going to be used here- slam every roadway full of strip malls and housing developments until there's no room left. Moyock is looking like Chesapeake.	7/7/2016 1:41 PM
11	Nature area with farmland forests and wetlands.	7/7/2016 9:32 AM
12	Currituck either needs to treat Knotts island like it does the rest of the county or turn it over to Virginia beach. KIES is extremely underfunded and the kids are getting a poor education. My AIG kids get little to no programs. If education doesn't immediately become a priority, we will leave the county.	7/6/2016 11:57 PM
13	I live here all my life I have loved how it was 15 years ago, but can see me moving to the mountains as more housing, traffic, the lack of access to the water goes up. Just waiting for kids to finish school and house prices to go up.	7/6/2016 9:27 PM
14	People come here to move & vacation away from high density and the problems associated with it. Lets maintain our uniqueness, quality of life and property values. If development were to stop our values would still go up as our area could become a mecca to retreat to.....if handled right.	7/2/2016 9:23 AM
15	Like it is	6/28/2016 4:39 AM
16	Dislike the roads and ditches.. I like that you are looking ahead and asking what we think. I don't want Currituck to lose the country charm that it has going into the future..	6/27/2016 10:15 PM
17	I would like to see the Rural atmosphere maintained	6/21/2016 1:46 PM
18	If we are not careful in preserving land and wildlife we will be too crowded and have or quality of living	6/16/2016 1:35 PM
