

CURRITUCK COUNTY JOB DESCRIPTION

JOB TITLE: EMERGENCY MEDICAL TECHNICIAN – INTERMEDIATE/FIREFIGHTER

DEPARTMENT OF FIRE-EMERGENCY MEDICAL SERVICES

Operation Division

GENERAL STATEMENT OF JOB

Under general supervision, performs skilled and technical work in operating an approved Emergency Medical Service unit for the County Emergency Medical Services Division, rescuing victims and administering emergency medical care to patients on site and while in route to hospitals. Work involves responding to the scene of emergency and non-emergency calls, applying necessary medical treatment to sick or injured persons, and transporting persons to a medical facility. Performs in accordance with established emergency medical procedures and protocols approved by the local medical director at the NC EMT-Intermediate level and must exercise considerable independent judgment to assess conditions of patients and administer appropriate medical treatment. Work is subject to both inside and outside environmental conditions, extremes in temperatures, noise, vibrations, exposure to fumes, odors, dusts, mists, gases, poor ventilation, and oils. Due to the nature of the work, employee is exposed to human blood and is subject to the OSHA requirements on blood borne pathogens. Participates in firefighting activities to include driving fire apparatus, operating fire department equipment, fighting fires and patient extrications. Work is performed under the supervision of an EMT-Paramedic and the EMS Supervisor and is evaluated through peer review/quality management, observation, and public feedback. Reports to the EMS Supervisor.

SPECIFIC DUTIES AND RESPONSIBILITIES

ESSENTIAL JOB FUNCTIONS

Responds to calls for medical aid including motor vehicle collisions, rescue operations, and any other incident were EMS has been requested. Provides pre-hospital care at the EMT-Intermediate level including, but not limited to, examining patients and monitoring vital signs, administration of medications, insertion of airway devices including a blind insertion airway device and endotracheal intubation; use of cardiac monitors to acquire and transmit 12-Lead EKG's and the automated external defibrillation, collection of blood for laboratory analysis, establishes peripheral intravenous access; other basic and advanced first aid and life support actions as approved by the North Carolina Medical Board and the Currituck County EMS Medical Director; communicates with hospital and/or health care professionals in person or by radio; completes required reports. Restocks supplies and maintains emergency vehicles and equipment in proper working conditions.

Conduct and participate in drills and training exercises; develop skills in fire suppression, complete 36 hours of fire department training annually. Participates in a continuous training program to improve competence in medical clinical work and in ambulance service and operation; maintains knowledge of new or modified operational protocols; complete 36 hours of EMS continuing education training annually.

In a fire emergency, assists the volunteer fire departments, performing basic firefighting duties and responsibilities within permissible limits; drive and operate fire apparatus with specific ability to respond a pumper or tanker to the scene of an incident and obtain water flow, perform exterior (and interior if qualified as determined by the Fire/EMS Chief) fire ground operations; assist firefighters in the handling of fire hoses, ladders, SCBA equipment, manpower rehabilitation, and other vital equipment and functions; assists with the extrication and removal of entrapped or confined patients.

Prepare, submit, and maintain reports on emergency medical services activities, fire suppression activities, incidents and accidents, and other related information; prepare clear and concise documentation; obtaining medical data including patient identification, medical history, type of accident or nature of illness, rescue measures, preceding emergency care, care given at an emergency medical scene; direct patient care and transport.

Operate, inspect, inventory, and maintain emergency response equipment and vehicles; perform minor repairs on equipment and vehicles or report deficiencies to proper staff for other disposition; order necessary supplies; clean and maintain patient compartment and cabinets of emergency vehicles; ensures proper supplies and equipment are stocked and functions properly.

Perform general maintenance and cleaning of station; sweep and mop floors, light dusting, and clean windows; cleaning of restrooms and bathrooms, keeping bunkrooms neat with beds made in a neat and clean manner; changing sheets and pillow cases after each use, laundry as necessary.

Work with the community in a variety of educational, public relations, and service programs; fire prevention, safety awareness, community CPR training, and public school activities for EMS standby.

JOB RESPONSIBILITIES RELATED TO HIPAA COMPLIANCE

Is expected to protect the privacy and security of all protected health information (PHI) and electronic PHI (e-PHI) in accordance with Department privacy and security policies, procedures, and practices, as required by federal [and state] law, and in accordance with general principles of professionalism as a health care provider. Failure to comply with the Department's policies and procedures regarding the privacy and security of PHI and e-PHI may result in disciplinary action up to and including termination of employment.

May access PHI and e-PHI only to the extent that is necessary to complete job duties and may only share such information with those who have a need to know specific patient information to complete their job responsibilities related to treatment, payment or other company operations.

Is encouraged and expected to report, without the threat of retaliation, any concerns regarding the Department's policies and procedures on patient privacy or security and any observed practices in violation of those policies to the designated Privacy/Information Security Officer.

Is expected to actively participate in Department privacy and security training and is required to communicate privacy policy information to coworkers, students, patients and others in accordance with Department policy.

ADDITIONAL JOB FUNCTIONS

Performs duties as assigned by the County Manager, or their designee during a State of Emergency or other disaster.

Work with the EMS and fire department volunteers to enhance the overall operation and function of the department, local volunteer fire departments, and other county entities.

Performs other related work as required.
