Need tax help? Not a problem.

Take advantage of member tax preparation assistance from Local Government Federal Credit Union.

Low-Cost Tax Preparation Service: Beginning mid-January 2022, eligible members can have a basic income tax return prepared and filed in one of our branches for only \$95. Choose to have your return filed electronically* — if you're expecting a tax refund, you may receive it faster!

Visit lgfcu.org/taxprep for more information and a list of what to bring with you when you go to the branch. Certain tax returns may fall outside the scope of these programs.

Call us at 888.732.8562† for additional information.

Important note: Effective April 19, 2022 (or the day after the official IRS tax return due date), the Credit Union will no longer offer tax return preparation. Please see lgfcu.org/taxprep for more information on the services available.

* In rare instances, returns cannot be filed electronically. In that case, a tax preparer will provide instructions on how to mail your completed return.

† Calls may be recorded.

The screenshot shows the LGFCU website's TurboTax promotion page. At the top, there are navigation links for 'Member Connect Login' and 'Compass Login'. Below that, there are links for 'Products', 'Benefits & Services', 'Personal Finance', and 'About LGFCU'. The main content area features a 'TurboTax' section with the text: 'You don't need to be an accountant to feel confident when filing your own taxes. Let TurboTax help you!' It lists three TurboTax products: 'Free edition' (simple tax return), 'Deluxe' (identifies deductions), and 'Premiere' (covers rental property, stocks, etc.). It also mentions a member discount on federal filing software. A 'Tax Help' dropdown menu is visible on the right side of the page.
