Reference: Sligo Preserve - Application for Final Plat Approval

Dear Jason,

We are submitting 3 copies of plans, one 8.5 x 11 reduction, 2 hard copies of documents and a pdf on CD of the final plat and all supporting documents for Sligo Preserve. The following are included in this package:

- Application
- Final Plat
- Review set of As-built Drawings
- Draft HOA Documents
- Waterline Final Approval
- Contractor's estimates for performance bonds for street trees and buffer trees
- Reserve Fund Calculation and Affidavit, with back up
- NCDOT pavement acceptance for roadways, along with Test Report

There is no Engineer's estimate for incomplete public infrastructure, as we are not aware of any incomplete public infrastructure in this subdivision.

We believe this package meets the submittal requirements for approval of this final plat; please let us know if you find that you need anything additional in order to be able to place this item on the April TRC agenda for review.

Sincerely yours,
BISSELL PROFESSIONAL GROUP
